

MINNESOTA HEAT SCHOLARSHIP PROOF OF INCOME

Scholarship applications must be submitted with proof of income for all household members. Applications received without proof of income *cannot* be processed. Please submit photocopies of all applicable documents, as indicated below, to verify total household income. **Please do not submit original documents.**

Annual income is the anticipated total income that will be received by all household members (all related, or nonrelated, individuals who are sharing living expenses: rent, food, clothes, utility bills, medical expenses, etc.) for the 12 month period previous to the submission of your application. Proof of income will be determined by the following documents:

List of Acceptable Forms:

- Your most recent paystub: must contain information on gross pay, net pay and year to date gross income
- 2023 1040, W-2 or any other tax income forms
- AFDC or other assistance program statements
- Social Security or Supplemental Security Income statement of benefits
- Proof of retirement income statement
- Proof of unemployment insurance benefits, worker's compensation or disability income
- Alimony/child support statements
- Statements of family support (received from another individual not residing in the household)
- Additional forms of proof may be submitted in special circumstances

Additionally, we ask all applicants to provide an explanation of hardship letter. This letter should explain the family circumstances and reason for scholarship application.

These forms are due by your child's tryout date. Please e-mail or bring to tryouts. To ensure confidentiality, please submit your documents in a sealed envelope marked "MN Heat Scholarship Application" or e-mail them to mnheatscholarships@gmail.com.
