

Thank you for your patience this week as we put together our Heat rosters. We continue to be amazed at how fortunate we are to have so many players wanting to be a part of our program.

For the 5th year in a row, our program is projected to field over 100 teams for the Spring season. Rosters for teams are posted below along with team tournament schedule weekends. Coaches will contact families no later than Monday, March 31st. Practice schedules are still being finalized and coaches will get that info out ASAP.

Practice schedules do take some time with the number of teams we have. We thank you for your patience. If your team is listed without a coach, do not panic. We do have many coaches left in our coaches pool but with us still finalizing Grades 9-11, we just need a bit more time to organize coaches.

Practices for teams will start either the week of April 7th or 14th. If you do not find your name on a roster, we will issue you a refund. If you paid via card, that will be reimbursed on the same card. If you paid via check, the check will be shredded.

Please do not email asking about refund status unless two weeks have passed. Please respect that we will not be able to reply to emails with questions regarding team placement. With the number of teams we field, it is not possible for us to address every cut player or how who made what team.

Thank you for your understanding. The next step for those that made a team is to look for communication from your coach. Coaches will communicate information related to the team regarding scheduling and additional information as it becomes available. Getting all team info organized can take us a bit, we appreciate your patience!
